1. This is a petition seeking direction to the Magistrate at 37th Court in the matter of Case No.183/S/2000 to prepone, hear and conclude the case by going on with the case on day to day basis and to report the conclusion to this Court. The copy of the roznama of the proceedings before the lower Court is not annexed to the petition. The Advocate for the petitioner states that he has sought a waiver of certified true copy of the order dated 5.2.2007 passed by the Court in the case. It is not possible to grant waiver in respect of an order which could have been annexed. In any case that particular order is not challenged in the prayer clause in this petition. The petition suffers from vagueness. Hence, the petition is dismissed.
